

## Welcome to 2SV Capital, LLC

2SV Capital is a private investment firm that invests in partnership with a range of sophisticated institutional investors and corporations. Founded in early 2008, we acquire and invest in businesses where we can build value through operational leverage, business development, corporate restructuring and strategic acquisitions. Our approach is to be flexible on structure, to partner with management and to maintain a sharp focus on cash-flow fundamentals.

The principals of the firm have on average over 18 years of transaction, investment and operational experience ranging across private and public equity investing, investment banking and operational management.
